

TEAM/CHARITY PROCEED SIGNUP

Welcome to *Replay Sports Inc.*! We're glad that you want to know more about how Replay Sports can help your team! Each week Replay Sports Inc. gives 5% of our proceeds to local teams and charities that participate in our 5% club. *Replay Sports Inc. (RPSI)* is dedicated to helping kids, families, the young at heart, and teams succeed at sports and in life. Whether it is one sport, or many, we want to help get good equipment into kid's hands in an affordable way. In other words we not only work for you, but for the community as well!

There are only a few rules and regulations. The week period starts on Saturday and runs through our normal hours Friday. Each team/charity may only be chosen 1 time during a calendar year. Only one form may be filled out per team. *RPSI* will keep up with what teams/charities have signed up, but it never hurts to ask, and it's free! Teams will be selected in a random drawing each week. *RPSI* will contact the winning team two weeks in advance, giving you an opportunity to get ready, and get the word out.

There are many ways to get the most out of your particular week. Here are some things you might be able to do in order to gain the most for your team or charity.

- Set Up in Front of the store and gain interest. Make signs, hold banners, cheerlead (in a way) to gain people's interest in your team and the store.
- Bring in stuff for the store. Banners, signs, pictures, schedules, we'll put them up on the wall. Let people know who they're helping!
- Talk it up. Word travels fast! Tell everyone you can, parents, friends, teachers, family, anyone you can think of! Use word of mouth to the best of your advantage.
- Use E-Mail! If you have a newsletter, put it in there, if not, draft it up, send it to your address book, tell people to send it to theirs, and let everyone know!
- Use your school. Amazingly people listen to morning announcements, and you can use this to your advantage. Put an announcement in, and let everyone know!
- The school newspaper is a powerful tool you can use as well. Whether it is a college publication or a high school newsletter, the newspaper around your campus can really help you out!
- Get the word out at events your team/charity is having, but also at other events for your school. Football games, pep rallies, parties, fundraiser's.
- Bring in stuff to sell! Sticks, Balls, Gear, Bags, but also fitness equipment, pool tables, kayaks; the list never ends! Anything you can think of that could sell.

So now that you have the information, why not signup? It's free to signup and move forward with Replay Sports! Just come into Replay Sports today and fill out the information on the next page, and we'll start working with you!
